In the early hours of Saturday, October 7th, Hamas terrorists stormed Israel's border with the Gaza Strip, killing some 1,400 Israelis, including about 300 IDF soldiers, and wounding thousands.

Since that dark moment, the brave IDF soldiers have been operating tirelessly to fend off the attacks, demonstrating unwavering dedication to safeguarding Israel. As we honor their sacrifice and commitment, we believe that maintaining their mental well-being is paramount.

To enhance their morale and provide much-needed relaxation, Keren Kayemeth LeIsrael-Jewish National Fund (KKL-JNF), together with the Association for Israel's Soldiers, launched "Operation Recreation" – a drive aimed at placing 120 recreational tables at IDF bases across Israel.

At the heart of the operation is the belief that even in the most challenging circumstances, our soldiers deserve moments of respite and recreation. We aim to create spaces within IDF bases that foster camaraderie, relaxation, and stress relief, ensuring our troops return to their duties with renewed strength and determination.

Your financial support will go directly towards purchasing shaded outside recreational tables and installing them at IDF bases.

"Operation Recreation" is a testament to KKL-JNF's unwavering commitment to the well-being of IDF soldiers. Every donated recreational table and every moment of relaxation it brings will contribute to the physical and emotional strength of those who protect our nation.

In these challenging times, the well-being of our soldiers is non-negotiable. "Operation Recreation" is a gesture of appreciation, support, and unity. Join us in creating a more relaxed and resilient IDF, ensuring that our soldiers can face any challenge with renewed vigor.
